

# Selfoss Velvet

Inspired by the moss covered lava of Iceland.

Soft, luxurious, slightly shiny fabric  
that makes the album impossible to put down.

laser engraving ( text, own design, our design )

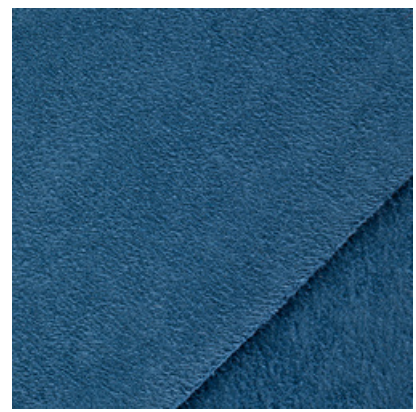

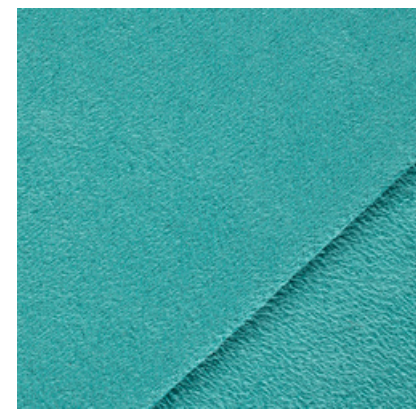

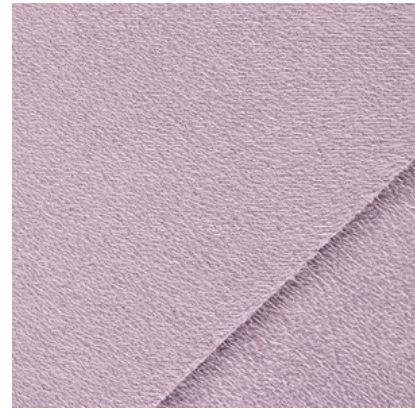

# Dolomiti Suede

Born from the love of adventure.

Kind of like a faux suede, but better.  
Soft, smooth, delicate and amazing to touch.

ROADIE

# Canary Leather

Inspired by blues and browns of Canary Islands.

80% natural leather in timeless, 'vintage' and exclusive form.  
Incredible to touch, with slightly aged look and grain effect.

# Cali Natural

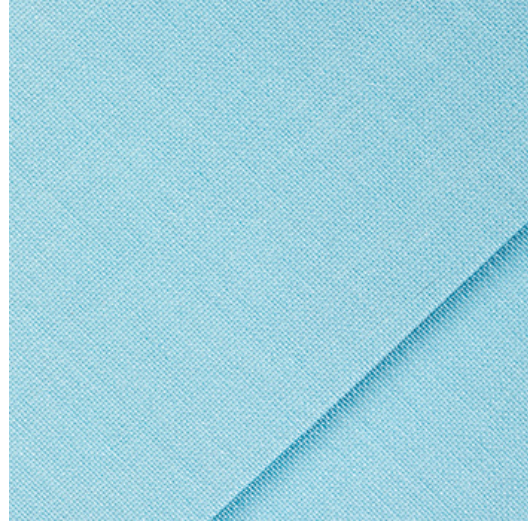

Inspired by Californian dream.

Natural, carefully selected, high quality durable linen. As one of the world's oldest textiles, you can call it a classic.
